Ticks of Australia

Tick species

| • | Amblyomma albolimbatum | • | Bothriocroton glebopalma | • | Ixodes cornuatus | • | Ixodes woyliei |
|---|--------------------------|---|----------------------------|---|-----------------------|---|-------------------------|
| • | Amblyomma australiense | • | Bothriocroton hydrosauri | • | Ixodes eudyptidis | • | Rhipicephalus australis |
| • | Amblyomma breviscutatum | • | Bothriocroton tachyglossi | • | Ixodes fecialis | • | Rhipicephalus sanguineu |
| • | Amblyomma calabyi | • | Bothriocroton undatum | • | Ixodes heathi | • | Argas falco |
| • | Amblyomma echidnae | • | Haemaphysalis bancrofti | • | Ixodes hirsti | • | Argas lagenoplastis |
| • | Amblyomma fimbriatum | • | Haemaphysalis bremneri | • | Ixodes holocyclus | • | Argas lowryae |
| • | Amblyomma glauerti | • | Haemaphysalis doenitzi | • | Ixodes hydromyidis | • | Argas nullarborensis |
| • | Amblyomma limbatum | • | Haemaphysalis humerosa | • | Ixodes kerguelenensis | • | Argas persicus |
| • | Amblyomma loculosum | • | Haemaphysalis lagostrophi | • | lxodes kohlsi | • | Argas robertsi |
| • | Amblyomma macropi | • | Haemaphysalis longicornis | • | Ixodes kopsteini | • | Carios australiensis |
| • | Amblyomma moreliae | • | Haemaphysalis novaeguineae | • | Ixodes laridis | • | Carios capensis |
| • | Amblyomma moyi | • | Haemaphysalis petrogalis | • | Ixodes myrmecobii | • | Carios daviesi |
| • | Amblyomma papuanum | • | Haemaphysalis ratti | • | Ixodes ornithorhynchi | • | Carios dewae |
| • | Amblyomma postoculatum | • | Ixodes antechini | • | Ixodes simplex | • | Carios macrodermae |
| • | Amblyomma triguttatum | • | Ixodes auritulus | • | Ixodes tasmani | • | Ornithodoros gurneyi |
| • | Amblyomma trimaculatum | • | Ixodes australiensis | • | Ixodes trichosuri | • | Ornithodoros macmillani |
| • | Amblyomma viikirri | • | lxodes barkeri | • | Ixodes uriae | • | Otobius megnini |
| • | Bothriocroton auruginans | • | Ixodes confusus | • | Ixodes vestitus | | |
| • | Bothriocroton concolor | • | Ixodes cordifer | • | Ixodes victoriensis | | |
